3279	2.810	.655	1.500	.625	5/16-18	.142	Black Zinc	.063
3879	3.000	.750	1.500	.625	M8 x 1.25	.142	Bright Zinc	.063

 = 10 Series Compatible Part

### Threaded Pilot Projection

The threaded pilot projection provides more thread, adding strength to the fastener. Always position the projection down in the T-slot to avoid crashing and an uneven connection.

Pilot Projection  
Should Always  
Face Down
