3805	3.560	.296	1.500	.625	M8 x 1.25	.142	Bright Zinc	.063

= 10 Series Compatible Part

**Threaded Pilot Projection**

The threaded pilot projection provides more thread, adding strength to the fastener. Always position the projection down in the T-slot to avoid crashing and an uneven connection.

Pilot Projection  
Should Always  
Face Down
